

Cimarron Premiere 7'x7' Zone Frame with Wheels

IMPORTANT: Please read directions thoroughly before assembling your screen.

1. Take all parts out of the box and make sure you have all the pieces.
2. Lay out the frame and proceed to connect all of the pieces, as shown in the diagram.
3. After frame is assembled, drill a screw through both pipes at every joint using the tool provided. The screws will drill themselves in with a little pressure, no guide hole is necessary.
4. Slide net over frame like a pillowcase.

Optional 3 piece frame padding fits as follows:
 Long piece - Top side
 Short piece - Wheel side
 Remaining piece - Arch side

- A - Bottom Corner (1)
- B - Top Corners B (2)
- C - Legs (2)
- D - Single Reduced (6)
- E - Double Reduced (2)
- 14 self tapping screws with tool
- 1 set of Wheels

*Bottom ground pieces have a slight arch. Arch should be positioned to set on the ground to accommodate uneven surfaces. Flip or turn it until you have it positioned correctly.
